LIMITED WARRANTY - G SERIES TACKERS

This product is warranted against original defects in material and workmanship for 90 days from date of purchase. Should this product fail to perform for either of the above reasons, it will be repaired or replaced, at the option of the customer. For repairs or maintenance after 90 days there is a flat rate charge for the work. This warranty does not apply to the repair of damage or defects caused by the use of other than genuine Markwell staples, or the use of an incorrect staple for which the tool is not designed, or to tools that have been mechanically modified or abused.

To obtain the benefits of this warranty, the purchaser must first obtain an RGA (return goods authorization) from the seller, and ship the products prepaid to the address that will be provided. Products must be returned with all original components (including doors/heads) and if necessary, a brief explanation of the nature of the problem if not readily evident.
